A. Summary of Request

- This request is to allow the Norfolk Pawn Shop to operate on the ground floor of a mixed use building.
- The site is located within the Five Points Business District, on the southwest corner of Sewells Point Road and Hugo Street.
 - The site is surrounded primarily by commercial uses with some residential exposure to the northwest and west of the site as well as one residential dwelling unit located on the second floor above the proposed pawnshop.
 - The applicant proposes to relocate an existing nonconforming pawnshop within the PCO-5 PTS district, to be relocated to the subject property.

B. Plan Consistency

The proposed special exception is consistent with *plaNorfolk2030*, which designates this site as commercial.

C. Zoning Analysis

i. General

- The PCO-5 PTS covers the commercially zoned properties within the Five Points area of Norview, along Chesapeake Boulevard and Sewell's Point Road.
- The uses that are permitted in the district are those that encourage pedestrian oriented commercial activities.
- A zoning text amendment has been proposed in order to permit pawnshops within the PCO-5 PTS district, subject to the approval of a special exception.
 - If the zoning text amendment is approved to allow pawnshops within the PCO-5 PTS district as proposed, then the use would be permitted by special exception.

Hours of Operation	9:30 a.m. until 7:00 p.m. Closed Sundays

ii. Parking

- The site is located in the PCO-5 PTS overlay zoning district, which requires one off-street parking space per 250 square feet of building area, and one bike space per 2,000 square feet for a commercial use.
- A pawnshop requires the same parking and bike parking ratios as the former use of the space as a financial institution.
 - The site currently meets the off-street parking requirement and the applicant has agreed to provide sufficient bike parking to meet the current requirement.

iii. Flood Zone

The property is in the X Flood Zone, which is a low risk flood zone.

D. Transportation Impacts

- Institute of Transportation Engineers (ITE) figures estimate that this use will generate 102 fewer vehicle trips per day.
- Based upon ITE data, the prior bank use on this site would be expected to generate 279 weekday trips while the proposed new retail use would be expected to generate 177 trips on weekdays.

E. Impact on the Environment

- The existing building conforms to most of the PCO-5 PTS development standards:
 - Building location and orientation
 - Façade treatment (transparency percentage)
 - Parking location and access
 - Signs
- The applicant has agreed to make landscaping improvements to the site in order to bring the site closer to conformance with the landscaping and buffering requirements.
 - Two trees will be planted along the southern perimeter of the site and shrubs along will be installed along within the landscape islands along Hugo Street.

F. Impact on Surrounding Area/Site

By requiring this use to conform to the conditions listed below, the proposed pawnshop should not have a negative effect on the surrounding neighborhood.

G. Payment of Taxes

The owner of the property is current on all real estate taxes.

H. Civic League

- Notice was sent to the Norview, Sewells Gardens, Coronado/Inglenook, Wellington Oaks, Greenwood/Elmhurst/Norview Heights/Brandon Place, Estabrook, Greenhill Farms, Civic Leagues on May 13.
- Letters of support were received from the Norview and Estabrook Civic Leagues.
- A petition has been provided to Planning Staff by the Norfolk Pawn Shop, containing over 1,200 signatures which support the relocation of the existing Norfolk Pawn Shop to this proposed location.
 - The petition includes 10 signatures of residents from the May 12th Estabrook Civic League meeting and 12 signatures of residents from the May 12th Norview Civic League meeting.
 - The pawnshop relocation is only permissible if the zoning text amendment is approved to allow pawnshops within the PCO-5 PTS district by special exception.
- Letters of support were received from two citizens.

I. Communication Outreach/Notification

- Legal notice was posted on the property on April 21.
- The application was sent to the Greenwood/Elmhurst/Norview Heights Civic League on April 14.
- Letters were mailed to all property owners within 300 feet of the property on May 14.
- Legal notification was placed in *The Virginian-Pilot* on May 14 and May 21.

J. Recommendation

If the proposed zoning text amendment is approved, staff recommends that the special exception request be **approved** subject to the conditions shown below:

Dear City Planning Board,

I am writing on behalf of and at the request of Norview Civic League. We, as a civic organization, would like to voice our support of the one block move of the Norview Pawn Shop from their current location at 6177 Sewells Point Road to 6145 Sewells Point Road.

The plans for this move was brought to our Civic League approaching two years ago. As a group, we made Josh and Austin Loney, proprietors, give their best presentation and after many, many questions and answers all of our concerns were addressed and we as Norview Civic League gave them our blessing.

We as a group feel very happy that the Loney's have chosen to upgrade their pawn shop and hopefully ignite the spark of innovation and growth so badly needed in the Five Points area. The Loney's have proven themselves to be wonderful neighbors and proactive members of Norview Civic League, where they have built support not only among our civic organization, but the neighborhood in general. These actions include creating a Business Partnership within Norview by Austin, that had not existed before.

The Loney's have also developed a faithful following with many residents of the neighborhood showing up at any and all meetings or workshops concerning the relocation of the pawn shop, covering quite a span of time.

It is our most ardent wish and hope that you, the Planning Commission, bestow your approval of the relocation, which would then move on to City Council, where hopeful they will see how this is nothing but a plus to our little area of Norfolk.

Thank you for your time in reading our request and hopefully you will give Norview Pawn Shop the "green light", in turning giving Norview the shot in the arm it can surely use.

Sincerely,

Dear Mr. Simpson,

I am writing on behalf of the members of the Estabrook Civic League. Our league area covers over 1K homes and is several blocks away from Norview Ave 5-points area. It has come to our attention that the upcoming Council meeting has a land use special exception vote to add Pawnshop to the PCO 5-pts district.

Initially the members were opposed to this action but with further information from the owners and their employees **the Estabrook Civic League now supports the relocation of the Pawn Shop**. Josh Loney attended the May meeting and explained to the group what the proposed changes would entail. There was no opposition from the members. We are in support of small business and hope this move will be a catalyst for change in the Norview Ave 5-points area. In addition, with the change of the land use exemption to include pawnshop could allow a proliferation of other pawnshops which could be a disaster to an already declining small business area.

Thank you considering the ECL change in support of the "Table of Land Uses" for PCO-5 PTS (Pedestrian Commercial Overlay – Five Points) district, to add "Pawnshop" as a land use allowed by Special Exception within the PCO 5-PTS district.

To the permits and planning committee of the 5 points Norview district.

World Cleaners at 6131 Sewells Point Road, would like to give our complete support and agreement, for the Norview Pawn Shop to continue their great improvement and opening of the store in the building formerly known as the BB and T bank.

Being a business in the Norview 5 Points area we can say that the improvement to the few businesses that are left is refreshing and encouraged. With installment of surveillance cameras and customer traffic at the opening of the 5 Points corridor, there will be greater safety and encouragement for other businesses to venture into the Norview area,

Again I fully back the approval of the Norview Pawn Shop moving to the old BB and T building,

Thank You,

RE: Norfolk Pawn
Special Exception to Operate a Pawnshop on Properties Located at 6137 - 6145
Sewells Point Road

Dear Mr. Simons:

We are writing to support of Norfolk Pawn's application for the proposed special exception to operate a pawnshop on properties located at 6137 - 6145 Sewells Point Road.

Five Points, LLC is a commercial property owner in the Five Points community and is a member of the Five Points Business Association. We have seen Norfolk Pawn successfully operate its business in Five Points for over two decades, while other business have shuttered in the area, proving themselves to be a valuable community member and tax payer for the City of Norfolk. Furthermore, the Loneys have shown themselves to be good corporate citizens, dedicated to the betterment of the Five Points community by having renovated the building they're requesting to operate in as well as spearheading last November's Build a Better Block event. As such, we believe Norfolk Pawn should be allowed to operate at its new proposed location of 6137 - 6145 Sewells Point Road.

Sincerely,

Five Points, LLC

Dear Sir or Madam:

Subject: Moving Norfolk Pawn Shop

My name is Arnetta Burchett, and I am a retired Norfolk Police Officer. I have known Mr. Josh Loney since I patrolled the Park Place area and visited his businesses as a patrol officer and a detective. After retiring, I had the pleasure of working for him for several years. I have watched him do numerous things for the community and churches in the area, including my own church.

When one of his pawn shops was robbed, Mr. Loney went above and beyond his means to ensure that all of the customers who lost their jewelry were compensated. He reimbursed them well above the amount the items that they lost were worth and personally gave the customers his private number to speak directly to him and not go through his managers who were very well-trained to handle this matter.

The Norfolk Pawn location, if moved, would better serve the customers by being in a safer location with better parking. Mr. Loney is always looking for a better way to help and serve others and the community. I know this personally because I had an unexpected death in my family, and without hesitation, Mr. Loney had the manager at my location give me the money for a roundtrip plane ticket to go out of state immediately for however long I needed to be gone. Mr. Loney has hired Norfolk Police officers during the holidays for extra security and has spent a great deal of money on revamping security systems in every location. The purchase of this building at 6145 Sewells Point Road is just another example of what he is willing to do to better serve our community.

Sincerely,

Arnetta Burchett

To Whom it may concern:

I have known Josh and Austin Loney in excess of twenty (20) years both personally and professionally. As Manager of Nansemond On The Bay Condominium in Ocean View, I am familiar with their successful Sandfiddler Jewelry & Pawn business located in the Tiny Giant Shopping Center and have served with them in the Ocean View Business Association. Over the years, they have been active participants in many OVBA community projects including fundraising for the dog park on Maple Avenue and most recently volunteering to clean the Duffy's Lane bus stop area on a daily basis. In my experience, they have always run a proper business and have been responsible, engaged community partners.

I understand they wish to move their existing jewelry and pawn business in the Five Points area of the City of Norfolk from 6177 Sewells Point Road to 6145 Sewells Point Road. I would urge that this request be granted so they may continue to serve the needs of their customers in a greatly improved space and be active participants in the continued economic development of the Five Points area.

Thank you for your consideration.

Sincerely,

Suzy Allen

The Honorable Mayor Fraim, Mayor of Norfolk and Members of Norfolk City Council
810 Union Street
City Hall Building, Suite 1001
Norfolk, VA 23510

Dear Mayor Fraim and Members of the City Council:

In February 2014, I submitted a request to the City to move the Norfolk Pawn Shop, which has been serving the community for over 18 years, 237 feet down the block to a better, safer, more secure building. At the February 27, 2014 City Council Meeting, my request was denied against the wishes of the civic league where the property is located. Since then, I have been refurbishing the second floor of the building to serve as my home and will be moving in this spring.

After sharing with you and City Council a petition signed by over 1,000 Norfolk residents (copy attached) in support of the move, I was contacted on April 1, 2014 by Vice Mayor Williams. She stated that Council would approve the move after they vote again on the matter by the end of April 2014. Two weeks after I spoke to the Vice Mayor, I called her to find out the status of the next vote; she informed me that my request to move could be voted on only once per year.

Please note that I participated in the Five Points Better Block revitalization project, with my son taking the lead, serving as coordinator for the event (<http://betterblock.org/norfolk-organizes-third-better-block-this-weekend/>). The photos below show the interior and outside entrance of the pawn shop in its new location during Better Block.

The hand-cut aluminum seascape has the dual purpose of being both a welcoming piece of art and a security gate.

During the community walkthrough, Better Block co-founder Andrew Howard advised me to ignore the City's outdated zoning restrictions and just move my shop. However, I would like to have the City's vote to make this move a reality. Please advise on the next steps necessary to move the Norfolk Pawn Shop. If you have any questions or comments, please feel free to call me at 757-375-5962.

Best regards,

Josh Loney
